Instructions to Proposer of New Membership Candidate

“At the heart of the Membership screening process is an understanding that the Megunticook Golf Club is a family oriented Club with deep rooted traditions developed over more than 100 years that seeks Members who will actively participate in the various offerings of the Club and will contribute to the camaraderie, trust, and mutual respect that exists among Members and their families.”

Megunticook Golf Club Program Book

The Membership Committee welcomes you to the application process as governed by Section G of the Club Rules. Your role, as the Proposer, is to secure the appropriate number of supporting letters, work with your applicant to complete the application form and to return a completed package. Throughout the application process you are the primary point of contact for the applicant, sponsors and our committee.

Please follow the below steps. If you have any questions, feel free to reach out to anyone on the committee. Most of all, thank you in advance for taking the time and effort to complete a new application.

Step One: Determine application path

Legacy Application: Application + Proposer Letter + Secondary Letter

Non-Legacy Application: Application + Proposer Letter + 3 Letters/e-mails of Support

Note: A Legacy candidate is child or grandchild of a current Member

Step Two: Draft supporting letter and secure letters of support

As primary sponsor, you should reach out directly to existing members to request letters of support. It is important that club members are not put in a position of informing a prospective member that they are not comfortable writing a supporting letter.

Please include the following information in your letter of proposal:

1. Share how you have come to know the candidate and include for how long, in a social, non-professional capacity. This is important as MGC by-laws stipulate a one [1] year minimum.
2. Provide any details regarding the candidate's career, personal history, and background.
3. Discuss how you think this candidate will best use the club.
4. Taking into consideration the above noted MGC policy, which is set forth in the Megunticook Golf Club Program Book - “2019 Rules and Regulations and By-Laws” under the category of: **Membership, G. Procedure for Completing Membership Proposal**, please tell us why you believe that this applicant is well suited for membership.

Step Three: Complete application

Please have the applicant complete all the information requested on the new member Application Form. It is important that the Sponsor has asked the applicant to disclose any additional information relevant to the consideration of the application. Such information will be treated as confidential by the Membership Committee until and unless released by the applicant to disclose it. Both you and the applicant(s) should sign and date the application.

Step Four: Submit application packet

Return the application, supporting letters and application fee of \$200 (paid by check to Megunticook Golf Club by the applicant) via mail to Megunticook Golf Club, PO Box 806, Rockport, ME 04856-0806, or handed to the Club House Manager at 212 Calderwood Lane in Rockport.

Once submitted, the Membership Committee will review the application and share the task of contacting the proposer, perform research as may be deemed appropriate and arrange an on-site interview.

On behalf of the entire committee, we sincerely appreciate your bringing forth a new applicant for membership,

Brett A. Lerner, Membership Committee Chair
